

# PROVIDER DIRECTORY

## REGION 2

Serving the communities of Azusa, Baldwin Park, Covina,  
El Monte, Glendora, Hacienda Heights, La Puente,  
Rowland Heights, West Covina and Whittier

Dear Physician Provider,

As Chief Executive Officer and President of Citrus Valley Physicians Group (CVPG), I would like to welcome you to our network of health care providers. CVPG was established in 1992 to service the San Gabriel and Pomona Valley areas. Over the past 25 years, our organization has developed a proven track record in managed care and provider service. Currently, we are servicing Pomona and its neighboring cities, San Gabriel Valley, Glendale, San Fernando Valley, and Long Beach areas.

We are contracted providers with L.A. Care Health Plan, Blue Cross, Blue Shield, Central Health Plan, Cigna, Easy Choice, Health Net, and Humana. Our plans encompass the Senior, Medicare Advantage, Medi-Cal, In-Home Supportive Services (LA Care I.H.H.S.), and the Commercial population.

Our team of experts are ready to work with your practice on a long term basis to develop new business strategies, retain your existing patient base, and to provide exceptional service to your patients and personnel. I look forward to working with your practice to deliver quality and accessible care to the communities we serve together.

Thank you for considering CVPG as a valued partner. Have a wonderful and blessed day!

Sincerely,  
C.K. Rao M.D., A.A.F.P.  
President

## OPHTHALMOLOGY

### **California Eye Care**

CEC PROTOCOL: PCP'S are to submit initial authorization request for Ophthalmology services directly to Coast Healthcare Management. If the general Ophthalmologist needs to refer a member to a Sub-Specialist (Retina, Glaucoma, Cornea, Plastics or tertiary services) his or her office staff will submit the request to CEC (California Eye Care). If the sub-specialists need to submit a request for a follow up visit or Surgery, they too are instructed to submit the request to CEC to authorize services.

For a list of providers, please refer to Ophthalmology providers.
